NATIONAL CONSISTENT COLLECTION OF DATA

Information and an ‘opt out’ permission note were sent home to all families last week regarding the National Consistent Collection of Data for students with a disability. While this information was not relevant to all families, it is important that all parents are aware of the trial our school is participating in. The data collection will provide an annual national snapshot of all students with disability across all school in Australia and the adjustments that they are receiving consistent with obligations under the Disability Discrimination Act 1992 (the DDA) and Disability Standards for Education 2005.

GREAT AUSSIE BUSH CAMP

The Great Aussie Bush Camp is just around the corner and will be here before you know it. All families should have secured their child’s spot on this excursion and paid the $60 (non-refundable) deposit by now.
